## Why go on a trip with BCC?

You go to impact the lives of those less fortunate, but as many before you – you will find the impact in your own life to be just as great as the lives you touch. You'll return different, broadened, stronger and with a renewed purpose and perspective in life.

Traveling to a different country is no picnic, but there's little that compares with the rewarding experience of a mission trip. Your rich memories of the people, children, and culture will be with you for the rest of your life. Don't miss this opportunity to minister from your heart in a uniquely personal way.

If you are willing and able to go and serve God will use you! If you don't know your ministry gifts, or think you don't have much to offer, come and discover all of the ways you can make a difference in the lives of others. Your very presence is a gift; you may never know the full impact you are having in people's lives until you get to in the process.

## What would it look like?

BCC staff will be with you every step of the way. Experienced with the culture, we will serve as your guides - working with you to make your trip rewarding, fruitful, and fulfilling. Since English is taught and spoken at the school, churches, and guest houses, you'll feel at home. We also have translators who will accompany you in the community.

Without a doubt, you will return home more grateful than ever, for your own Christian heritage, and for the life-changing experience you had because you heard and answered the call.

## Bringing your own team.

We invite you to bring your team to Ethiopia with us. If your team is planning a mission trip, please contact us to set up your group's dates. We will help you with ministry ideas and ways to fundraise. We will handle all the travel details to help ensure your team has a safe, rewarding and effective trip. We can accommodate groups of any size.
